London Chamber Music Series SUNDAYS

President: Levon Chilingirian OBE Artistic Director: Dr Peter Fribbins

Since 1999 the London Chamber Music Society has managed the celebrated London concert series which can trace its origins to the Sunday concerts at South Place from the 1880s and then Conway Hall from 1929. Their legacy is extraordinary, the concerts having been associated with many important premieres and numerous famous performers over the years, including Henry Wood, Frank Bridge, Sammons, Ysaye and Percy Grainger. Now this much loved series finds its new home at Kings Place.
